

Charlene Lovett

for County Treasurer

I grew up in Claremont, and after graduating from Stevens High School, served in the U.S. Army for 22 years. When I retired, I worked several years in business development for a company in the D.C. area before returning to Claremont in 2008. Since then, I have been elected to the following positions:

- Claremont School Board and SAU 6 Board Member (2009-2013)
- State Representative (2011-2012)
- City Councilor (2014-2015)
- Mayor (2016-2021)

As a state representative, I was also a member of the Sullivan County Delegation and the Vice Chair of the Executive Finance Committee. This allowed me to learn the county budget and recognize untapped opportunity. For example, I initiated the effort to establish a Capital Reserve Account, the first such account for the County.

As a military detachment commander and elected official, I have worked with administrators and financial officers to track revenue and expenses, and leverage investment opportunities. I believe these experiences have positioned me well to serve as your next County Treasurer.
